

Long-Term Care

The Long-Term Care National Study Group is devoted to changing the way Long Term Care is managed and delivered by working at the provincial jurisdiction level, with nation-wide membership.

[Click here to find the terms of reference for this National Study Group.](#)

To join this effort, contact the National Office at cfuwgen@rogers.com to learn more.

Upcoming initiatives: Elder Action Day, May 4, will consolidate a number of activities aimed at bringing attention to the crisis of Long-Term Care and elder care in our communities. More details to follow.
